KIBS NEWS

Are you missing something?

Our lost and found box is full of school clothes, but also other clothes like socks, shoes, hats etc.. Please label **everything** your child brings to school with their name, for instance with a Laundry Marker from Edding (to name one example). We know from experience that this pen keeps its promise even after repeated washing.

Photographer/Class photos

This school year we had a lot of bad luck with the commissioned school photographer. We were not satisfied with the whole organisation and the results and have planned to use a different company for the next school year - thank you very much for your patience and understanding.

Please check: Yellow postal folder

Please regularly ask your child for information and messages, which we forward to you via their yellow folder. Thank you very much!

Our **Kindergarten** has a new telephone number for reaching the late care or for use during trips: 0151 / 55232146

Primary School

Our Outdoor Learning Day left many lasting impressions: all primary school classes spent most of their school lessons in the fresh air and explored their learning goals with the help of the environment. In addition, all students created their own kindnessrocks (#thekindnessrocksproject), which will soon decorate the school entrance area.

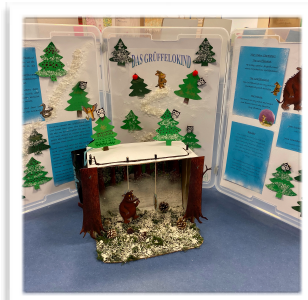

Using the motto "Change starts with us", all primary school children learned about the subject of bullying. Every year, Anti-Bullying Week is an integral part of our curriculum - the important topic has to be reviewed often in order to not be forgotten.

All classes have written pledges for this school year, here is a selection:

Our Reading Fair was once again a great success! Over 70 participants handcrafted their projects - the jury had a lot to do and were very impressed...

Our annual talent show - Part 1 (Years 3 and 4) inspired the pupils of the primary school! Congratulations to the winners:

Most Creative - Dana, Mina, Darja

Best Piano - Melisa

Best Violin - Lisha

Best Dance - Bhava

Best Singers - Claudia and Romeo

Secondary

To prevent the already busy and stressful month of December from becoming even more stressful, we have decided to perform our annual musical at the end of the half-year. Save the Date: Thursday, January 30th, 2020. The invitation will follow!

Outdoor Learning Day in our secondary in the English lessons! Year 6 recreated a scene in which the spirit of the Christmas present Ebenezer brought Scrooge to KIBS. Then the students wrote beautiful, vivid descriptions from Scrooge's perspective. In Year 8, we played a lively game with "Hat, head, had" to perfect the pronunciation in some particularly tricky sentences...

Kindergarten

Now the transition phase is over.

It was a great challenge for everyone involved, which each individual mastered outstandingly.

All the children have arrived in their group, are growing together more every day and have taken their place in the group.

Many friendships have already developed among one another.

Furthermore we already had our lantern festival.

The homemade lanterns of the children lit up brightly and it was a nice and cozy party. We would like to thank all employees, parents and children for taking part in our lantern festival.

On December 6th, our Christmas Performance will take place at 2:30 pm in the Mensa. We are looking forward to seeing you there.
